Nearly 8000 IT professionals get jobs through 'Karma Bhumi' app in West Bengal: Official

PTI | Nov 28, 2020, 01.37 PM IST

KOLKATA: Nearly 8000 jobs have been secured by IT professionals in West Bengal who have returned from other places due to the Covid-19 pandemic, an official of the state Information Technology department said. The statae IT department had developed the 'Karma Bhumi' app for professionals who had returned from other places to enlist themselves for getting employment in the state for a limited period of time.

"With the advent of Covid, there has been a huge influx of IT professionals here from outside," said Sanjay Das, joint secretary, IT Department, government of West Bengal.

Congratulations!

You have successfully cast your vote

Speaking at a webinar by Bengal Chamber of Commerce and Industry on Friday night, Das said the government found that this to be an opportunity to tap the talent pool for which the app had been thought of.

Karmo Bhumi is a Government of West Bengal initiative to collaborate between job seekers and employers in IT/ITeS sector.

"This app is not exactly a job providing platform. But one for registering of skills of the professionals", he said.

According to him, nearly 41,000 professionals have got them enlisted along with 400 employers as well.

Das said more than 8000 jobs have been secured through the app. One employer from Singapore has picked up two AI professionals from the pool, he added.

The joint secretary said that the domain of the app would also be opened for college and university students for expanding the data base.

West Bengal: 'Karma Bhumi' App Provided Jobs To Nearly 8000 IT Professionals, Says Official

By **EB Bureau**   On **Nov 28, 2020**

Kolkata: Approximately 8000 IT professionals have got jobs in West Bengal who have migrated from other places owing to the COVID-19 pandemic, a state Information Technology department official said.

An app called 'Karma Bhumi' was developed for professionals who had returned from other parts of the country to get enlisted for employment in the state for a limited time period, reported *EdexLive*.

"With the advent of COVID, there has been a huge influx of IT professionals here from outside," state government IT Department's joint secretary, Sanjay Das, was quoted as saying by the website.

Das, while speaking at a webinar by Bengal Chamber of Commerce and Industry on Friday night, said the government found that this to be an opportunity to tap the talent pool for which the app had been thought of, according to the website.

'Karma Bhumi' is a West Bengal government initiative to act a bridge between job seekers and employers in IT/ITeS sector.

ஊரடங்கினால் சொந்த ஊர் திரும்பிய ஐடி பணியாளர்கள் 8000 பேருக்கு வேலை: கர்மா செயலி குறித்து மேற்கு வங்க அரசு பெருமிதம்

பிரதிநிதித்துவப் படம்.

கரோனா பாதிப்புகளை அடுத்து ஏற்பட்ட ஊரடங்கு காரணமாக வேலையிழந்து மாநிலம் திரும்பிய ஐடி பணியாளர்கள் 8000 பேருக்கு மீண்டும் வேலைகள் பாதுகாக்கப்பட்டுள்ளதாக மேற்கு வங்க அரசு பெருமிதம் தெரிவித்துள்ளது.

நாடு முழுவதும் கடந்த மார்ச் 25 லிருந்து கரோனா பாதிப்புகள் காரணமாக தொடர்ந்து தொடர்ச்சியான ஊரடங்கு அறிவிக்கப்பட்டது. இதனால் ஆயிரக்கணக்கான நிறுவனங்கள் மூடப்பட்டன. பல்வேறு மாநிலங்களைச் சேர்ந்தவர்களும் தங்கள் சொந்த ஊருக்கு திரும்ப வேண்டிய கட்டாயத்திற்கு ஆளாகினர். இதில் ஆயிரக்கணமான பணியாளர்கள் வேலையை இழந்தனர்.

இதனால் தனிமனித வருவாயும், நாட்டின் பொருளாதாரமும் சரிந்தநிலையில் இன்னும்கூட நிலைமை சகஜநிலைக்கு திரும்பாத நிலையே தொடர்கிறது. இதனை கருத்தில் கொண்டு மேற்கு வங்க அரசு புதிய திட்டமொன்றை அறிவித்தது. மாநில அரசு தகவல் தொழில்நுட்பப் பிரிவினர் உருவாக்கிய 'கர்மா பூமி' என்ற செயலியை அறிமுகப்படுத்தியது. இதனால் ஆயிரக்கணக்கான இளைஞர்கள் பயனடைந்துள்ளதாக மாநில அரசு தெரிவித்துள்ளது.

'பெங்கால் சேம்பர் ஆஃப் காமர்ஸ் அண்ட் இண்டஸ்ட்ரி' நடத்திய காணொலி சந்திப்பில் மேற்கு வங்க அரசாங்கத்தின் தகவல் தொழில்நுட்பத் துறை இணைச் செயலாளர் சஞ்சய் தாஸ் இதுகுறித்து கூறியதாவது:

கோவிட் வருகையோடு வெளி மாநிலங்களிலிருந்து ஏராளமான இளைஞர்கள் சொந்த ஊர் திரும்பியபோது அதில் தகவல் தொழில்நுட்ப வல்லுநர்களின் வருகையும் மேற்கு வங்கத்தில் பெருகத் தொடங்கிது. வேலையின்றி தவிக்கும் இளைஞர்களுக்கு உதவுவதற்காக மாநில அரசு திட்டமிட்டது.

ஐ.டி துறையில் வேலை தேடுவோர் மற்றும் முதலாளிகளுக்கு இடையே பாலமாக இயங்கும்வகையில் மேற்கு வங்க அரசு கர்மா பூமி தளத்தை உருவாக்கியது. கர்மா பூமி துல்லியமாக வேலைவாய்ப்பு வழங்கும் தளமல்ல. ...புணர்களின் திறன்களை பதிவு செய்வதற்கான ஒன்று.

...யைச் சேர்ந்த பன்னாட்டு முதலாளிகளும் ஐடி தொழிலாளர்களும் கைகோர்க்கும் ஒரு தளமாக ...த் தொடங்கியது. குறிப்பிட்ட காலத்திற்குள் வேலைவாய்ப்பு பெறும் வண்ணம் இச்செயலி ...

இச் செயலி மூலம் 41 ஆயிரம் தகவல் தொழில்நுட்ப வல்லுநர் சுமார் 400க்கும் மேற்பட்ட பன்னாட்டு முதலாளிகளுடன் கைகோர்த்தனர். இதில் 8000 பேருக்கு பணிப் பாதுக தலைமையகமாகக்கொண்ட ஐடி நிறுவனமொன்றின் முதலாளி முதல் தேர்ந்தெடுத்துக்கொண்டார்.

மேலும் இந்த செயலி கல்லூரி மற்றும் பல்கலைக்கழக மாணவர்களுக் தங்களைப் பற்றிய தரவுகளை பதிவேற்றும் வகையில் அடுத்தகட்டமா

இவ்வாறு மேற்கு வங்க அரசாங்கத்தின் தகவல் தொழில்நுட்பத் துறை

The West Bengal IT department's mobile app has helped nearly 8,000 techies in finding a job. The app named Karma Bhumi app has helped them secure stable job in the IT/ITeS sector.

The state government's IT department has developed the 'Karma Bhumi' app for tech professionals who have returned from other places. With the Covid-19 pandemic led work from home (WFH), many employees have returned to their hometown. Some of the laid off techies have also returned back to their home state. The Karma Bhumi app is designed to help these techies in finding employment.

Sanjay Das, joint secretary of the IT department at Government of West Bengal said, "With the advent of COVID, there has been a huge influx of IT professionals here from outside. This app is not exactly a job-providing platform. But one for registering of skills of the professionals."

The app was released into a webinar by the Bengal Chamber of Commerce and Industry on Friday night. During the webinar, Das said that nearly 41,000 skilled techies and 400 different employers have registered on the app. Out of which, 8,000 have secured a job. One employer from Singapore has also hired two AI professionals.

The joint secretary also said that the app will be opened for college and university students to expand the database. The app is an initiative designed to collaborate between job seekers and employers in the IT/ITeS sector. It is not exactly a job providing platform but one designed to register the skills of professionals.
